PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Earn More Cash To Modernize School

A profit of \$115.00 was realized from the turkey dinner, which was served at the Canal Point Community Building on Tuesday to a group who were attending the field day at the USDA Sugar Cane Breeding Station, by mothers of the Canal Point School.

These mothers who are working with the Canal Point Parents-Teachers Association to completely air-condition the school, wish to thank Joe Hatton for donating the corn, Unity Farms for the beans, celery, radishes, cucumbers and peppers; Mrs. Jess Elliott, president of the Pahokee Garden Club, for the table arrangements, and the teachers and mothers for their time and efforts in making the dinner such an outstanding success.

Mrs. James Gibson, spokesman for the mothers, also has announced that on December 15, members of the eighth grade of the Canal Point School, under the direction of their teacher, James T. Threlkeld, will have car wash day. The place of the car wash will be announced next week.

Four air-conditioners have already been installed in the Canal Point School through the efforts of the mothers group, and a fifth unit is being donated by the Canal Point Lions Club.

Woman's Club Sells Christmas Seals

The Pahokee Woman's Club, through the efforts of its members, is sponsoring the sale of Christmas seals, this week, for the Palm Beach County Tuberculosis and Health Association. Mrs. Glenn Powell, chairman of the project, and her committee members will be at tables in the Post Office and in front of the Bank of Pahokee, from 10 a. m. to 2 p. m., today, (Friday) to receive donations from kind citizens who wish to contribute to this needy cause. Anyone who has not turned in their money for seals received through the mail, may obtain a white envelope at one of the tables and it will be sent in the donor's name.

Sixteen members of the Woman's Club, in addition to the chairman, are serving on this committee during the campaign.

Foot Ball Banquet Scheduled Tonite

Plans are complete for the annual foot ball banquet which is held annually to pay honor to members of the Belle Glade Golden Rams and Pahokee Blue Devils, tonight (Friday) at the Belle Glade school cafeteria.

Lions clubs in Canal Point, Pahokee, Belle Glade and South Bay join in a cooperative effort each year to honor the youngsters who provide such splendid entertainment on the gridiron each fall. A record turnout is expected.

Monday, Dec. 10 Set For Circle Meeting

The December meeting of the Ione Patterson Circle of the Canal Point Baptist Church will be held in the recreation room of the church, Monday, December 10, at 3 p. m. Mrs. W. S. Evans will present the last half of the mission study book "New Frontiers in an Old World", and Mrs. J. L. McCall will serve refreshments during the social hour.

Field Day Draws 100 To Cane Station

More than 100 folks attended a field day at the U. S. Sugar Cane Testing Station in Canal Point Tuesday, according to Bascom Belcher. A dutch treat was enjoyed at the Community Building at the noon hour.

The growers were divided into five groups and were taken on tours of the station and heard informative talks by station personnel.

Personnel taking part in the lectures were: Edwin R. Rice, Carl O. Grassl, Preston H. Dunclelemon, James R. Gifford, Bascom Belcher.

Following the lunch at the community building, the group heard brief talks by Dr. F. E. Stokes, of the agriculture department of Beltsville, Md., station; Dr. W. T. Forsee Jr., of the Everglades Experiment Station, Belle Glade, and Ferdinand LeGrant, sugar cane agronomist at the experiment station.

Glades' sugar cane growers were represented almost 100 per cent, and Belcher announced that a tour of Louisiana growers would be conducted Jan. 10 under auspices of the American Sugar Cane Growers of USA, Inc.

500 Delegates Are Visitors In Glades

N. R. Norman and Sam Lovell, the agricultural teachers of the Pahokee and Belle Glade Schools, respectively, attended the convention of the National Junior Vegetable Growers Association which was held at the Deauville Hotel on Miami Beach, last weekend.

On Monday the group of 500 delegates chartered buses and toured sugar mills, farms, ranches and packing houses in the Pompano, Clewiston and Glades area. They were served a barbecue lunch at Belle Glade, Monday at noon, by the Belle Glade Future Farmers of America.

Lights Are Up For Christmas Season

Christmas lights are up over the streets in Pahokee as a project of the City, the Chamber of Commerce and the Florida Power and Light Company. Each year the city is given a Christmas touch by addition of colored lights and this year's lights will be in place by this weekend.

Keens Building A New Trailer Park

The Canal Point area is to have a new and modern trailer park in the immediate future. Mr. and Mrs. M. I. Keen purchased three acres of muckland on the strip from the U.S. Sugar Corp., and have started construction of the park.

Mr. Keen said that clearance has been okehed on the first eight trailer spots by the Health Department and just as soon as other items are worked out according to state health laws another clearance will be sought for an additional 42 trailers.

The Keens plan to beautify the plot on which the trailers will be located. The plot of ground is immediately south of the Pure Oil Station in Canal Point and is located in the Pahokee city limits. Present plans call for extension of the water main from the Shirley Plant to the new park.

Post Masters In Canal Point Meet

Postmasters of the Fourth District of Florida met at the Community Building in Canal Point Sunday for their quarterly meeting. It was a covered dish luncheon with Mrs. Edythe Smith, local postmaster, as host.

Mrs. Katherine Kirk, postmaster of Goodland, presided at the business session.

Mrs. Edythe Smith, host postmaster, welcomed the group to Canal Point. The response was given by Robert West of Stuart.

A nominating committee, composed of Ken Rogers of Naples as chairman, Mrs. Rosa Nash of Belle Glade and Robert West of Stuart was appointed by Mrs. Kirk to present a new slate of officers for the coming year. Their report is to be given at the next quarterly meeting so that the new officers may be installed at the state convention in May.

Ellis Solomon, postmaster of Fort Myers, invited the group to Fort Myers for the next meeting. One of the highlights of the meeting was the guest appearance of Herman Wattword, postmaster of Titusville. He has just been elected National Vice President of NAPUS at the National Convention in Pittsburgh, Penn. He spoke to the group about the national convention, Postal Service Officer C. M. Cade, III, of Miami spoke to the postmasters and favored many pertinent subjects and then led in a question and answer period.

There were many towns of the 4th district represented at this meeting and it was a very informative meeting.

Christmas colors of green and red were used in the table decorations and floral pieces and favors of sugar cane, radishes and salad greens were presented to the group.

Rev. Robert A. Shelley and A. R. Harrington attended the Methodist District Conference which was held at the First Methodist Church in Riviera Beach, Tuesday.

Eugene Stacy Lions Student Member, C. P.

Eugene Stacy, son of Mr. and Mrs. J. D. Stacy of Bryant, was inducted as the student member of the Canal Point Lions club at the weekly meeting Monday night. Young Stacy is a Senior at Pahokee High School. Youngsters for student member honors are chosen by the faculty of Pahokee High School.

6,471 Persons Get Florida Welfare

Reverend Paul M. Cassen of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 6,471 persons were assisted in the four categories of public assistance for the month of November, 1962.

A total of 1,949 persons received Old Age Assistance in the amount of \$88,699. 107 persons received Aid to the Blind, totaling \$6,621. 1,015 families, representing 3,253 children, received Aid to Dependent Children in the amount of \$64,817. 374 persons received Aid to the Disabled in the amount of \$21,460.

In addition 364 children received service during the month, 218 of whom were in foster homes. The total state and local cost for these child welfare services was \$10,736.55.

There were 5 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placing agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the district ten welfare board by J. F. Thomas, Jr., West Palm Beach, J. T. McMurrian, Delray Beach, Mrs. Wilda Tufts, Lantana and Mrs. M. H. Bleach, Pahokee.

Dr. Poteete Will Speak To Women

Dr. F. H. Poteete will be guest speaker at the luncheon meeting of the Pahokee Woman's Club next Wednesday noon. His topic will be "Education for Later Maturity." Each member is urged to bring some senior citizen to the meeting as a guest. Aging is a phenomena that affects every individual, and especially every person who has living parents or other relatives for whom he has responsibility.

Gifts for the veterans in the VA Hospital at Coral Gables should be brought to this meeting. Presents, gift wrapped, to be sent to the Boy's School at Okeschoke should also be brought Wednesday. Mrs. Richard Hurt, chairman of this committee, reports that five packages have been received to date.

Mrs. C. M. Todd, president, will preside over the business meeting.

Local PTA Group Hears James Vann

James W. Vann was guest speaker at the meeting, Monday night, of the Canal Point Parent-Teacher Association held in the school cafeteria, with the president, Mrs. W. E. McCall, presiding. Mr. Vann who was introduced by W. E. McCall in the absence of the program chairman, Bruce Bittling, spoke on "Americanism vs. Communism." He explained why this course, which will be taught in the Florida schools during the second semester, should be offered to students, and showed the necessity for such a course.

Mrs. McCall opened the meeting by leading the group in the flag salute. The devotionals and prayer were given by Elder R. E. Barfield, pastor of the First Missionary Baptist Church.

Mrs. W. E. Blackwell announced that four air-conditioners have been installed at the Canal Point School.

It was also announced that a tape recorder would be purchased for the use of the school.

The room count was won by Mrs. A. R. Harrington's seventh grade.

Mrs. Alfred Kahn, who teaches the sixth grade, was introduced as the new member of the faculty by Principal W. W. White.

Hostesses during the social hour were Mrs. W. E. McCall and Mrs. A. C. Hitchcock, who were assisted by Mrs. Robert Arrieta.

County Engineer Victim Of Cancer

Funeral services were held Tuesday afternoon in the Trinity Episcopal church in West Palm Beach for Stephen R. Middleton, 56, Palm Beach county engineer for nine years, who died at Good Samaritan hospital from cancer. Burial was in St. Augustine Thursday.

He succeeded J. M. Boyd as county engineer in 1953, moving to West Palm Beach from Fort Lauderdale, where he had been a State Road Department engineer.

He attended and was a member of Holy Trinity Episcopal Church in West Palm Beach.

Middleton worked with the Florida East Coast Railroad; the Alabama Highway Department and the Texas Highway Department.

Chicken Supper For Benefit Of Church

The Church of God of Prophecy, East Main Street, will hold a benefit chicken dinner, Friday night, at the Canal Point Community Center. The dinner will be served family style (all you can eat) from 5 through 9:30 p. m. Prices will be \$1.25 for adults and 50 cents for children. Music will be furnished during the evening by the Harmonettes, a trio composed of the Misses Judy and Ila Kinard and Miss Shirley Levins.

The Farm Front

If you'd like to know something about horses and the horse business in this state, you'll find a lot of interesting information in one of the Department of Agriculture's newest publications, "Light Horse Production in Florida."

Co-authors are three members of the Department of Animal Science at the University of Florida. T. J. Cunha, professor and department head, D. L. Wakeman and J. R. Crockett.

In the introduction Dr. Cunha notes that interest in light horses has been increasing during the past 20 years and recent growth of the state's Thoroughbred industry has brought Florida recognition as a major area for breeding the best in Thoroughbreds.

"Florida can boast of having sent two representatives to the Kentucky Derby and having both of them win," he points out. "... Both winners were raised in the Ocala area and have stimulated interest in the development of many horse farms there. Carl G. Rose was the pioneer in opening up this area and developed the first thoroughbred 'horse' farm there in 1937. By 1956 one more farm had been added but by 1962 the number of Thoroughbred horse farms in Marion County had rapidly increased to 62."

Eleven other counties besides Marion now have Thoroughbred horse farms and Dr. Cunha expects the industry to expand into other areas in the state.

Included in the wealth of information about horses which the new booklet contains are descriptions and a number of pictures of 14 popular breeds. If you'd like a copy of "Light Horse Production in Florida" please address your request to my attention at the Capitol, Tallahassee.

Unless your doctor tells you to cut them out, drinking milk and

eating butter aren't likely to make you a victim of hardening of the arteries. The American Medical Association has issued a new statement which, according to U. S. News, calls the "antifatt, anti-cholesterol fad" foolish, futile and dangerous.

Says the AMA in a recent 5-page statement: "Dieters who believe they can cut down their blood cholesterol without medical supervision are in for a rude awakening. It can't be done. It could even be dangerous to try."

"... It is not known what type of fat, if any, may be beneficial in preventing heart disease, nor is it known that certain fats are harmful."

Last August the AMA Journal published an article that approved "the concept of modifying the type and amount of fat in the diet as an experimental means of treating hardening of the arteries." But, the AMA points out, that article was never intended to encourage "do-it-yourself Americans to go on fat diets."

I recall a news item not long ago that reported the Soviet minister of Agriculture, K. G. Pysin, was appalled to learn that in America we're trying to get cows to "produce milk with less fat and more protein. When he visited the big agricultural research center of the U. S. Department of Agriculture at Beltsville, Maryland, recently, he made it plain that in Russia the people need fat for energy."

"The more fat in milk, the more energetic the people," said Pysin. His reaction was understandable, USDA researchers explained, because in America we have an energy-surplus diet, but the Russian diet is short on energy-producing ingredients.

Another angle on the fats-in-food situation is a report that the Northern Nut Growers' Association may step into the picture with a promotion program stressing the theme that the nut oils are not "wet," or saturated.

In its November issue the "American Fruit Grower" says: "Corn oil has ridden to glory on the basis that 84.2 per cent of its fats are unsaturated." J. W. McKay, president of NNGA,

points out that pecan, black walnut and Persian walnut put the tall corn mark. These products ... contain 94 per cent oleic, linoleic and linolenic acids and only 6 per cent of stearic and other saturated acids."

Most of us would like to know what the future holds so we can plan and act now to take advantage of coming developments. Swine raisers will find the following of interest to them.

Speaking at the recent annual meeting of the American Meat Institute, a packing company official envisioned the pig of the future thus—and he said it may come by 1970: The future porker will reach 225 pounds at five months instead of six months, his average length will be 31.4 inches instead of 29.5, his eye loin area will be 6.56 square inches compared with today's 3.54, his backfat will be 1.07 inches thick instead of 1.6 inches, and lean cuts will average 44 per cent of his liveweight compared to the present 36 per cent.

To reach that goal, the speaker advised, breeders will have to supply carefully selected stock to swine raisers.

Seniors Pay Visit To Junior College

Nearly 200 seniors from the nine high schools in Palm Beach County have visited Palm Beach Junior College in the past several weeks where they heard talks by Dr. Harold C. Manor, President, concerning opportunities of their community college.

Dean Paul J. Glynn, in talking to the seniors, stressed the need for post high school education or training because of the increasing demands for higher standards by industry.

Tours of the 114 acre, 11 building, campus are in charge of Mr. Robert Moss, Guidance Counselor, and members of the campus Circle "K" Club.

"World's Redeemer" Pahoek Cantata

The First Baptist Church of Pahoek will present the Cantata "The World's Redeemer" by Holton on Sunday, December 16th at 7:30 p. m. The Cantata is under the direction of Mrs. Guthrie Colvard, Church Music Director, with Miss Faye Harris at the piano and Miss Myra Jones at the organ.

No Spring Practice For Local Foot Ball

The perennial bid for Suncoast Conference authorization of spring football drills lost once again by a slim 6-5 vote at the annual winter meeting of Suncoast principals and coaches in Vero Beach, Saturday.

It was proposed that 20 days of drills be held after all conferences—sponsored spring sports had ended, with equipment to consist only of shoes and shorts. Opposing were Belle Glade, Clewiston, Pahokee, Seacrest, Palm Beach and Riviera Beach, while favoring the idea were Vero Beach, Ft. Pierce, Lake Worth, Stuart and Forest Hill.

Pahokee Principal Brooks Henderson presented a revised conference constitution which was accepted. Also accepted were schedules for all spring sports except baseball, which later was adopted on agreement to use last year's card with sites reversed.

Lengthy discussions on uniform complimentary ticket policy and halftime band shows were terminated by referring both to a principals' meeting for a report at the next league session in Belle Glade in March. Coach Bill Burke of Belle Glade was named football coach of the year, but announcement of the Suncoast all-conference grid team was delayed until next week when coaches' ballots can be received and tabulated.

SPENDS LEAVE AT HOME

Seaman Apprentice Ronnie Crosby is spending a 14-day leave with his parents, Mr. and Mrs. R. O. Crosby, Pahokee, following nine weeks of boot training at Great Lakes, Ill., where he received a certificate for serving as Recruit Petty Officer Chief. On December 13, Seaman Crosby will report for four months of duty at Norfolk, Virginia. Following his tour at Norfolk, he will enter school at Bainbridge, Maryland, for 24 weeks of training as a radioman.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones
you own now are better than ever*

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks
The Advertising Council and this publication for their patriotic donation.

The Everglades News

PAUL RARDIN, Publisher

Miss Betty Jean Clark, daughter of Mr. and Mrs. Herman Cecil Clark of Pelican Lake became the bride of Airman 1-C John Hilton Gandy, son of Mrs. Mamie Gandy of Pahokee, in a candle light ceremony at the Canal Point Baptist Church, November 16, at 7:30 p. m. with Rev. Robert A. Shelley reading the vows.

PERSONAL NEWS NOTES

Mr. and Mrs. J. C. Mock, Mrs. Adeline Wroten, Mr. and Mrs. Lucas Crane and Mr. and Mrs. I. G. Thompson, all of Pahokee, spent Saturday at Cape Coral.

Mrs. H. J. Anderson left Sunday for Southern Pines, N. C. where she is spending two weeks with her brother and sister-in-law, Mr. and Mrs. Paul Staples.

Mr. and Mrs. J. D. Rogers visited their son and daughter-in-law, Mr. and Mrs. John A. Rogers, in Miami Sunday. They were accompanied to Miami by their grandson, Alan, who had been their house guest for a week.

Mr. and Mrs. Joy Cullison of Cash, Arkansas, arrived in Pahokee Tuesday to spend a week visiting Mr. and Mrs. I. G. Thompson.

J. M. Prince, who has resided in Pahokee for many years, suffered

a stroke Tuesday afternoon, at his home in the Pahokee Housing Project.

Mrs. J. E. Williams returned, last Wednesday, from West Palm Beach and is convalescing at her home in Pahokee following surgery at St. Mary's Hospital.

Mrs. John Nelson of St. Augustine, who is visiting her parents, Mr. and Mrs. J. E. Williams, this week, will return to her home on Friday.

Mr. and Mrs. Lloyd Hundley and son, Wayne, and O. B. McClure attended the Florida-Miami University football game in the Orange Bowl, Saturday night.

Weekend visitors of Mr. and Mrs. Ernest Lindrose, Sr. were her son, and daughter-in-law, Mr. and Mrs. Edward Jensen and son, Leonard, of Merritt Island.

Mr. and Mrs. Bill Shackford were weekend guests of their son-in-law and daughter, Mr. and Mrs. Harry Dermody in Hialeah. Mr. and Mrs. Shackford were accompanied to Hialeah by Billy Stuckey.

Mrs. Marvin Levins and daughter, Shirley, spent several days recently with her brothers-in-law and sisters, Mr. and Mrs. T. H. Hazen and family, and Mr. and Mrs. V. Merwin in Ocoee.

Mr. and Mrs. William McClenthian had as their guests on Wednesday, her son and daughter-in-law, Mr. and Mrs. Ed Howell of Fort Myers.

Mr. and Mrs. W. S. Plummer and daughter, Jann, and Miss Carol Mae Hatten attended the football game between the Florida Gators and the Miami Hurricanes in the Orange Bowl, Saturday night.

Mr. and Mrs. W. D. Davenport and daughters of Brandon spent the weekend with her parents, Mr. and Mrs. L. J. Fraser in Pahokee. On Saturday night, Mr. and Mrs. Davenport, Mr. and Mrs. Fraser and Mr. and Mrs. Frank Gillis attended the Florida-Miami football game in the Orange Bowl.

Mrs. Doyle Branyon has returned to her home in Melbourne after visiting her parents, Mr. and Mrs. W. S. Cross in Canal Point.

Seaton Boynton of Bartow was a recent visitor of his brother and sister-in-law, Mr. and Mrs. H. G. Boynton in Canal Point.

Mr. and Mrs. H. G. Boynton were the guests of Rev. and Mrs. Horace Hartsell in Lake Wales, last Wednesday.

Miss Alyce Joyce Spencer of Orlando will be the guest, this weekend of her parents, Mr. and Mrs. Jack Spencer.

Mr. and Mrs. Will A. Nason of West Palm Beach spent Sunday with her parents, Mr. and Mrs. Earl Maxson in Canal Point. They were accompanied home by their son, Nat, who had been the house guest of his grandparents for several days.

Vacation Travel Ahead Of Last Year

TALLAHASSEE — Vacation travel to Florida is running ahead of 1961 and it will get an added boost from the elimination of the federal travel tax.

Florida Development Commission Chairman - Director Wendell Jarrard recently predicted that "We are already assured of an excellent tourist year. And the action by Congress eliminating the 10 per cent tax on train and bus tickets and cutting the plane fare tax from 10 to five per cent is certain to give travel to Florida by common carrier an added shot in the arm."

Jarrard said there were other barometers which confirmed his predictions.

"Take the revenue from the State Road Department's 10 toll projects as an example," he said. "During the first 10 months of this year, these projects collected more revenue than they did in all of last year or all of any previous year. While some of this increase undoubtedly resulted from greater use by residents, there can be no doubt that a substantial part came from a larger volume of tourists."

The commission's figures show an estimated 10,225,223 tourists came to Florida in the first nine months of this year, compared to 9,985,078 for the same period in 1961.

BUSINESS SPOT FOR RENT IN CANAL POINT

On the corner next door to Post Office where Grace's Beauty Parlor moved out yesterday. Ideal for beauty shop or other business. Call Paul Rardin in Canal Point.

Elswick - Parnell

Mr. and Mrs. Ralph Elswick, of Grundy, Virginia announce the engagement of their daughter, Julia Marie, to Gene Parnell, son of Mr. and Mrs. E. S. Parnell of Pahokee, Florida.

Miss Elswick is a senior in Florida Southern College and a member of Phi Mu.

Mr. Parnell is a senior in Florida Southern College and a member of Lambda Chi Alpha.

Wedding plans are incomplete.

ATTEND CONFERENCE

Rev. and Mrs. Thomas C. O'Steen, Mrs. J. D. Rogers, O. B. McClure, Mrs. Nannie Mallory and Mrs. Thomas G. Hignite attended the Methodist District Conference in Riviera Beach, Tuesday. Mrs. Rogers and Mr. McClure were official delegates from the Pahokee Methodist Church.

VISIT SOUTH CAROLINA

Dr. and Mrs. L. W. Armstrong left last week and are visiting their daughter, Mrs. Jack Phillips and family in Fairfax, S. C. and their son and daughter-in-law, Mr. and Mrs. Alvin Armstrong and sons, in Atlanta, Ga.

STATIONED ON OKINAWA

T-Sgt. Lester Nichols reached the Air Force Base in Okinawa on November 27, where he will be stationed for a tour of duty, according to word received here by his wife, Mrs. Nichols and two sons, who are residing with her father, J. G. Weeks in Canal Point, expect to join Sgt. Nichols in the near future.

HOME FROM HONDURAS

Mrs. Louis Mims and son, Alton, returned last week from Belize, British Honduras, where they visited Mr. Mims for several days. Mr. Mims is operating a welding and farming business there.

DISCHARGED FROM CLINIC

Mrs. J. G. Thomas, Jr. who has been a surgical patient at the Oschner Clinic in New Orleans, La., will be discharged from the Clinic on Friday (today) and plans to convalesce at the home of her brother and sister-in-law, Mr. and Mrs. J. W. Pankey, in Winnsboro, La. for several weeks.

WEEKEND IN TAMPA

Mrs. Duncan Padgett and Miss Helen Hardaway spent the weekend in Tampa. Miss Hardaway visited her parents, and Mrs. Padgett visited her son-in-law and daughter, Mr. and Mrs. Al Garcia and family. Mrs. Padgett attended the birthday celebration for her grandson, David, who was observing the fourth anniversary of his birthday.

JACKSONVILLE VISITORS

Mr. and Mrs. J. L. Reeves have as house guests, this week, her daughter-in-law, Mrs. Albert Graves and children, Steven and Casandra, who have recently moved from Augusta, Ga., to Jacksonville. Albert Graves accompanied his family to Pahokee and spent several days here but has returned to Jacksonville.

ATTEND GAME

J. G. Weeks and daughter, Mrs. Lester Nichols and sons, Edwin and Elliott, attended the football game between the Florida Gators and the Miami Hurricanes in the Orange Bowl, Saturday night, and also visited Mr. and Mrs. Robert Weeks and family, and Mr. and Mrs. Joe Calhoun in Miami during the weekend.

Mr. and Mrs. Clyde Harvey of Lakeland spent the weekend in Pahokee visiting her mother, Mrs. Emma Wheeler, and her brother-in-law and sister, Mr. and Mrs. Jess M. Elliott.

Mr. and Mrs. Chat Clark and son of Titusville were the weekend guests of her parents, Mr. and Mrs. T. C. Clark in Canal Point.

Natural Gas For Orange & Brevard

TITUSVILLE — The Indian River generating plant of the Orlando Utilities Commission was the scene recently of a formal valve opening ceremony to mark the availability of natural gas to Orange and Brevard counties.

Participating in the ceremony were members of the commission, Florida Gas Co., City Gas Co. of Florida, officials and city and county officials from Orange and Brevard counties.

W. J. Bowen, president of Florida Gas Co. in Winter Park, said, "We are pleased to have the Orlando Utilities Commission's Indian River plant as a customer of our pipeline and the cooperation and support given our company by the commission is greatly appreciated."

Picture of a Promise

Sure, she's a grand old flag!
That's why we salute her.
That's why we pledge allegiance to her.

That pledge, in its simplest terms, is another way of saying, "Count me in. You're my country and I love you and need you! Your problems are my problems, and I'm with you all the way."

Your country's biggest single problem is the perpetual responsibility for keeping the peace its people want. You can help with this problem by remembering this:

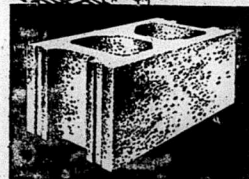

Peace costs money. Money for military and industrial strength. Money for science and education. And money saved by individuals — by you — to help keep the economy strong. Bonds provide this money.

Christian Service Presents Program

"Hear the Angels Sing" was the topic of the Christmas program presented at the meeting of the Woman's Society of Christian Service of the Pahokee First Methodist Church held in the social hall, Monday night, with the president, Mrs. Richard F. Hurt, presiding. Mrs. John Hutton, who had charge of the program, was assisted by Mrs. Frank Friend, Mrs. Leon Spooner and Mrs. William R. Hutton. The Misses Sharon and Lynn Hutton sang a duet, accompanied at the piano by Mrs. T. C. O'Steen.

The Society voted to send \$100.00 to the Children's Home at Enterprise, and to donate \$10.00 to the Palm Beach County Mental Health Program.

It was announced that flowers would be placed in the church sanctuary during December by the Simonson-Lair Circle and during January by the Gertrude Shirley Circle.

The Venä Mae Schroder Circle was awarded the attendance pin for having the most members present. Mrs. Albert Graves of Jacksonville was introduced as a visitor.

Refreshments were served during the social hour by Mrs. R. D. Apelgren, local activities chairman, and her committee.

Rotary Club Hears Don Hoffman, WPB

Don Hoffman of West Palm Beach was guest speaker at the luncheon meeting of the Pahokee Rotary Club Thursday, with the president, Dr. E. C. Johnson, presiding. Introduced by Leland Shirley, Mr. Hoffman who is associated with the Management Research Institute, spoke on employer and employee relations.

Guests were Roscoe Braddock, Louis Kirchman, Huell Frier and N. T. Taylor, all of Belle Glade; Bruce Bowe of West Palm Beach and Karl Malston. Walter Young was the guest of student member, R. O. (Buddy) Lampl.

Mrs. Kepp Presents Christmas Program

"Christmas is Sharing" was the topic of the program presented by Mrs. Donald B. Kepp at the December meeting of the Woman's Society of Christian Service of the Canal Point Methodist Church held Tuesday night, with the president, Mrs. Leonard Maxson, presiding. Those assisting Mrs. Kepp were Mrs. Earl Maxson, Mrs. James Miller, Mrs. A. R. Harrington and Mrs. Robert A. Shelley; also, a group of young people who sang Christmas carols.

Refreshments were served by the hostess, Mrs. W. F. Underhill, Jr.

J. H. Kinard and daughters, Judy, Ila and Jean, were called to Sanford, Sunday, by the death of his uncle, T. E. Kinard. After attending the funeral services on Wednesday, Mr. Kinard and daughters returned to Pahokee.

Simonson, Mrs. Leon Spooner and Mrs. Broughton Watkins.

IT'S FOR YOU! IT'S CHRISTMAS!

Handy phones make happy homes... all year round

Telephone services are personal, different, and appreciated all year long. Here are three ways to make Christmas really special in your home:

With extension phones, for Mom in the kitchen, for Dad in his den and for everyone in the family room. Step-saving, time-saving extensions come in a wide choice of colors and styles.

With Home Interphone as a part of your family's regular telephone service. Home Interphone lets you talk room to room, answer the door, relay outside calls, check on the children — all from the nearest phone!

With the Bell Chime to carol your calls with musical tones. When warm weather returns, you can set the Bell Chime for a louder bell that's easily heard on porch or terrace.

And consider this — these and other useful, modern telephone services are so easy to order. Just call the Business Office or ask your telephone man.

Southern Bell
 ...Growing with the Future

*"Today we need a nation of Minute Men
citizens who regard the preservation of freedom
as a basic purpose of their daily life"*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

BUY U.S. SAVINGS BONDS

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to The Advertising Council and this newspaper for their patriotic support.

The Everglades News

PAUL RARDIN, Publisher

IMPORTANT NOTICE FOR PALM BEACH COUNTY VEGETABLE GROWERS:

Now is the time to switch to **Phosdrin® Insecticide** to maintain complete protection against insects up to 24 hours from harvest—without creating residue problems.

Powerful Phosdrin Insecticide gives you fast knockdown and kill of aphids, mites, loopers, worms—almost all destructive pests attacking Florida crops.

Then, unlike most other insecticides, Phosdrin disappears, leaves no residue.

Read how Phosdrin can save your crop from late-season insect damage or worse, confiscation. Check the chart below for the intervals that apply to your crops.

If not controlled, a late-season insect build-up can quickly downgrade—or make completely unsalable—vegetable crops such as tomatoes, beans, potatoes, peppers, celery, watermelons, eggplants and most leafy vegetables.

If the infestation is controlled with an insecticide that leaves excess residue on the crop at harvest, the crop is subject to confiscation under the terms of the Miller Amendment to Public Law 518.

Phosdrin solves problem

This is a problem that many growers are

solving with Phosdrin Insecticide.

Phosdrin is a powerful new phosphate insecticide that kills the toughest insects fast, usually within a few minutes of application. However, unlike most other insecticides, Phosdrin disappears rapidly after it has done its job—leaves no residue.

That's why Phosdrin can be applied up to 24 hours from harvest on many crops—up to 72 hours from harvest on most others.

NOTE: See table below for the insects Phosdrin controls and how close to harvest it can be used on your crops.

The photo left shows a Florida grower applying ¼ of a pound of Phosdrin per acre to a late-season build-up of aphids and mites attacking an 82-acre field of tomatoes. The photo on the right shows pickers harvesting the same field the following day. No Phosdrin residue remains to endanger either the pickers or the crop.

Hard-to-kill insects

Phosdrin solves other problems too. It controls insects such as cabbage loopers and aphids that are becoming harder to kill with older insecticides. That's why more and more growers are making Phosdrin an integral part of their full-season program.

Good mixer

Phosdrin is compatible with most other

insecticides and fungicides. And Phosdrin offers a wide margin of safety to the foliage and fruit of insecticide-sensitive crops such as cucumbers and lettuce.

Low cost

Don't be misled by the cost per pound or gallon of Phosdrin. A little Phosdrin goes a long way. For example, as little as ¼ to ½ of a pound per acre is all it takes to control the toughest insects attacking many vegetables. Dosage rates seldom exceed ½ of a pound per acre. In short, on a per acre basis, Phosdrin is very economical.

Where to get Phosdrin

Phosdrin is available from your local insecticide dealer under many well-known brand names. It comes in liquid and dust formulations that are easy to apply with standard application equipment.

Remember, look for the name Phosdrin on the label or in the ingredient statement.

Shell Chemical Company, Agricultural Chemicals Division, 55 Marietta Street, N.W., Atlanta 3, Georgia.
